

PREVENT POLICY

St Dominic's is a Roman Catholic Sixth Form College committed to the personal and spiritual growth of all its members based on Christian values, academic excellence and high quality pastoral care.

Preventing violent and non-violent extremism and radicalisation

Any member of staff or student at St Dominic's who has concerns regarding the issues identified in this policy should report those concerns immediately and no later than the end of the working day to the Designated Teacher for Child Protection/Prevent.

- Designated Senior Teacher for Child Protection/Prevent – Paul Higginson
- In the absence of the Designated Senior Teacher concerns should be brought to the Principal or Vice Principal

1. Who does this policy apply to?

The Prevent Policy applies to everyone working at or attending the College. It confers responsibilities on all governors, College staff, students and volunteers.

2. Policy Statement

The aim of the Prevent Policy is to create and maintain a safe, healthy and supportive learning and working environment for our students, staff and visitors alike. We recognise that extremism and exposure to extremist materials and influences can lead to poor outcomes for students. We further recognise that if we fail to challenge extremist views we are failing to protect our students from potential harm. As such the Prevent agenda, will be addressed as a safeguarding concern.

The College has adopted the Prevent Duty in accordance with legislative requirements. However, we will endeavour to incorporate the relevant duties so as not to:

- i) Stifle legitimate discussions, debate or student engagement activities in the local community; or
- ii) Stereotype, label or single out individuals based on their origins, ethnicity, faith and beliefs or any other characteristics protected under the Equality Act 2010.

3. Why do we need this policy?

Prevent is one of 4 strands of the Government's counter terrorism strategy – CONTEST. The UK currently faces a range of terrorist threats. Terrorist groups who pose a threat to the UK seek to radicalise and recruit people to their cause. Therefore early intervention is at the heart of Prevent which aims to divert people away from being drawn into terrorist activity. Prevent happens before any criminal activity takes place by recognising, supporting and protecting people who might be susceptible to radicalisation. The national Prevent Duty confers mandatory duties and responsibilities on a range of public organisations, including Sixth Form Colleges, and seeks to:

- i) Respond to the ideological challenge of terrorism and aspects of extremism, and the threat we face from those who promote these views.
- ii) Provide practical help to prevent people from being drawn into terrorism and radicalisation and ensure they are given appropriate advice and support.

4. Our Prevent Policy has five key objectives:

- i) To promote and reinforce shared values, including British Values; to create space for free and open debate; and to listen and support the learner voice.
- ii) To encourage diversity by supporting inter-faith and inter-cultural dialogue and understanding; and to engage all students in playing a full and active role in wider engagement in society.
- iii) To ensure student safety and make sure the College is free from bullying, harassment and discrimination.
- iv) To provide support for students who may be at risk of radicalisation, and appropriate sources of advice and guidance.
- v) To ensure that students and staff are aware of their roles and responsibilities in preventing violent and non-violent extremism.

In order to achieve these objectives, the strategy will concentrate on the following 3 areas:

5. Leadership and Values

We aim to create and maintain a College ethos that upholds core values of shared responsibility and wellbeing for all students, staff and visitors whilst promoting respect, equality, diversity and understanding. This will be achieved through:

- i) Promoting core values of respect, equality, diversity, and democracy.
- ii) Building staff and student understanding of the issues and confidence to deal with them through mandatory staff training, specialist tutorials, awareness campaigns and community engagement activities.
- iii) Deepening engagement with local communities and faith groups.
- iv) Actively working with local authorities, the police and other agencies.

6. Teaching and Learning

We aim to provide a curriculum that promotes the knowledge, skills and understanding required to undermine extremist ideology and support British values by building student resilience. This will be achieved through:

- i) Embedding British Values, equality, diversity and inclusion, wellbeing and community cohesion throughout the curriculum.
- ii) Promoting wider skills development such as social and emotional aspects of learning.
- iii) A curriculum adapted to recognise local needs, challenge extremist narratives and promote universal rights.
- iv) Teaching, learning and assessment strategies that explore controversial issues in a way that promotes critical analysis and British values.
- v) Use of external programmes or groups to support learning while ensuring that the input supports College goals and values.
- vi) Encouraging active citizenship and student contribution to the wider community.

7. Student Support

We aim to ensure that staff take preventative and responsive steps, working with partner professionals, families and communities. This will be achieved through:

- i) Strong, effective and responsive support services for all students.
- ii) Developing strong community links and being aware of what is happening in the wider community.
- iii) Implementing anti-bullying strategies and challenging discriminatory behaviour.
- iv) Recognising factors that may increase risk to a student, i.e. vulnerability, disadvantage or hardship, and implementing early risk management strategies.
- v) Ensuring that students and staff know how to access support in College and/or via community partners.

8. Roles and responsibilities

Whilst this is a standalone policy, it is integral to our Child Protection Policy and should be applied as an extension to the College's current and established safeguarding procedures.

i) Governors

All Governors have a legal responsibility to make sure they have undertaken training in the Prevent Duty. Additionally, the Board must ensure that:

- all College staff have undertaken training in the Prevent Duty;
- all College staff are aware of when it is appropriate to refer concerns about students, learners or colleagues to the Designated Teacher for Child Protection;
- all College staff promote British Values;
- policies and procedures to implement the Prevent Duty are in place and acted on where appropriate. The Catholicity and Curriculum Committee are responsible for monitoring all aspects of Safeguarding and Prevent.
- The College has adequate internet safeguards to ensure that students are unable to access sites involved with extremism or radicalisation.

ii) Prevent Lead for the College

The Assistant Principal (Pastoral) is the Prevent Lead and Designated Teacher for Child Protection, with responsibility for ensuring that our Prevent Strategy is implemented across the College and that any concerns are shared with the relevant organisations, in order to minimise the risk of our students becoming involved with terrorism.

iii) All Staff

All staff at the College have a responsibility to:

- create and support an ethos that upholds the College's mission, vision and values including British Values, to create an environment of respect, equality, diversity and inclusion;
- attend Prevent training in order to have the skills to recognise those who may be vulnerable to radicalisation, involved in violent or non-violent extremism, and to know the appropriate action to take if they have concerns;
- report any concerns around extremism or radicalisation via the College's reporting channels;
- report and remove any literature displayed around the College that could cause offense or promote extremist views;

- support the development of staff and student understanding of the issues around extremism and radicalisation through activities such as training, awareness campaigns and tutorials;
- participate in engagement with local communities, schools and external organisations as appropriate.

9. Managing Risks and Responding to Events

The College will ensure that it monitors risks and is ready to deal appropriately with issues which arise. **All concerns must be reported to the Designated Teacher (Assistant Principal – Pastoral) who will investigate the matter and decide whether or not to take further action.**

10. Who needs to understand this policy and how will they know about it?

Prevent training for all College staff, students and governors is mandatory and will be delivered by the following methods.

Who?	How?
Students	Policy available on the College website. Prevent awareness included in student tutorial sessions. Information about Prevent delivered through mandatory tutorials and resources, and via attendance at and participation in Prevent and British Values related student activities, including General RE.
Board of Governors and Senior Leadership Team	Governors undertake mandatory training and receive updates through the Catholicity & Curriculum Committee. An annual briefing and report will be delivered to Governors outlining relevant changes to the Safeguarding/Prevent policy and agendas, and detailing actions taken at the College to ensure compliance and student safety.
All staff	Receive mandatory training and updates; 'All Staff' emails; visits to team meetings by Prevent Lead.

In addition, all new members of staff will receive Prevent training as part of their induction programme.

Policy Summary
