FAVOURITE COLLEGE MEMORY?

My favourite memory of Doms is how easy it was to make friends – you meet people from a variety of backgrounds and everyone is so open and friendly; it definitely made meeting new people at Uni a lot easier.

WHAT HAVE YOU DONE SINCE LEAVING ST DOMINICS SIXTH FORM COLLEGE?

I have recently started studying Law with Humanities at the University of Warwick and am currently in the process of applying for work experience at various law firms for next year.

HOW DID YOUR EXPERIENCE AT COLLEGE HELP YOU ACHIEVE SUCCESS?

St Dom's has truly helped me to come out of my shell and be confident and proud in who I am – it fostered practical life skills that are rarely taught at schools, from social skills to learning to be independent and proactive. However it also instilled a greater sense of humanity and spirituality in me by encouraging charity work and promoting the acceptance of people of a variety of beliefs. St Dom's has fostered both my academic and spiritual growth – an invaluable experience.

WHAT ONE PIECE OF ADVICE WOULD YOU GIVE TO CURRENT STUDENTS?

Thanks so much for your support!

ST DOMINIC'S
Sixth Form College

I would advise current students to throw themselves into life at Doms – be friendly and open to as many people as possible because this might be the place you meet your friends for life in, don't be afraid to try new things and learn new skills and make the most of the community spirit because you won't find anything quite like it anywhere else.

WHAT'S YOUR NEXT BIG GOAL?

My next big goal is to achieve a vacation scheme in a City Law firm or to be accepted into a Bar school. I also want to do more to fundraise for charity - I am hoping to find a new adventure/opportunity to do that soon.

Thanks so much for your support!
