FAVOURITE COLLEGE MEMORY?

My favourite college memory was a trip to Lourdes, which turned out to be a quiet the adventure!

WHAT HAVE YOU DONE SINCE LEAVING ST DOMINICS SIXTH FORM COLLEGE?

I went on to study History at the University of York, achieving a First, and went on to be the BME officer there. I now work at KPMG within Public Sector which covers local government, housing, education and health, and am currently studying for my ACA (chartered accountancy) qualification. (I know shock horror a history can be an accountant!)

HOW DID YOUR EXPERIENCE AT COLLEGE HELP YOU ACHIEVE SUCCESS?

St Doms helped me realise my passion for learning, particularly history and politics, at A level studying really challenged me intellectually and it lead me to study history at university.

WHAT ONE PIECE OF ADVICE WOULD YOU GIVE TO CURRENT STUDENTS?

It's quiet competitive once you start applying for jobs post-uni, and most employers still have Further Education requirements, (A levels etc). So the performance you put in now can genuiney make all the difference once looking for a job!

WHAT'S YOUR NEXT BIG GOAL?

Thanks so much for your support!
