

ST DOMINIC'S
Sixth Form College

Mission and Ethos Policy

St. Dominic's is a Roman Catholic Sixth Form College committed to the personal and spiritual growth of all of its members based on Christian values, academic excellence and high-quality pastoral care.

Context

As a Roman Catholic Sixth Form College, founded on the person, example and inspiration of Jesus Christ, we believe that:

- All human persons are all made in the image and likeness of God, with a unique value and dignity.
- All human persons are of equal worth and all have a contribution to make to the community. The Gospel values of love, justice, peace and reconciliation should be affirmed and celebrated.
- Education concerns the whole person; body, mind and spirit - and enables each person's God given talents and skills to be used for the benefit of all creation.
- We all have a responsibility to build relationships within our community and reach out to the disadvantaged in the wider world.
- God can be found in friend and stranger.
- Our common human nature enables us to respect the diversity of every faith and none and culture in our College.

St. Dominic's aims to make this vision a reality – the principles outlined above must be lived and experienced, and all members of the College are expected to play a full and active part in putting these values into practice.

Our Mission and Ethos

"You call me Master and Lord, and rightly; so I am. If I, then, the Lord and Master, have washed your feet, you must wash each other's feet. I have given you an example so that you may copy what I have done for you. In all truth I tell you, no servant is greater than his master, no messenger is greater than the one who sent him" (John 13:13-16)

The above verses, taken from John's Gospel, explain very clearly our Mission as a Roman Catholic Sixth Form College. As servants of Christ, we assert the primacy of the spiritual and moral life, the dignity of the person, the importance of community, the pursuit of academic excellence and our commitment to caring, social justice and the common good as the visible fruits of the faith. The Gospel is at the heart of the work of the College and we serve one another in the knowledge that we only have one teacher, Jesus He whom we call the Christ.

St Dominic's is a confidently Catholic community with a multi-faith setting. Our community is based on the theological virtues of faith, hope and love; developing each individual intellectually, emotionally and spiritually to achieve their full potential.

*"I have come so that they may have life and have it to the full."
John 10:10*

To achieve this, we will:

- Engender an inclusive, welcoming, supportive community where everyone is valued.
- Prepare students to lead fulfilling and purposeful lives as responsible and responsive global citizens who uphold both Gospel and British values and contribute to the Common Good.
- Provide an exceptional, relevant education which encourages the development of the whole person, inspired by the Dominican tradition.
- Promote a caring environment, rooted in the virtues of service, kindness, humility, gratitude and respect.
- Work together for the benefit of each person as well as the wider community.
- Recognise, celebrate and treasure, without exception, the unique gifts and dignity of each person, ensuring equality and fairness for all, as found in the teaching and example of Our Lord Jesus Christ.

Key Components of the College**The Chaplaincy Team**

The Chaplaincy Team is a central part of the College community and our Chaplain organises a weekly Mass in partnership with a designated Core RE group. Every morning, staff and students are invited to participate in Morning Prayer through the daily prayer email. Throughout the year, there are a variety of events, retreats, pilgrimages and worship opportunities to help students and staff to explore their faith. In addition, the Chaplaincy Team is there to offer support to students and staff should they require it.

Core Religious Education

The College provides a Core RE programme for all students. 'To Live is to Change'. These famous words of Cardinal Newman's encapsulate the aims and objectives of the College's RE programme, which seeks to develop students' spiritual and moral dimensions within the context of respecting the faith traditions of all members of the College community.

Eucharistic Ministers

Students and staff have the opportunity to become Ministers of the Eucharist. During their first year, those who wish to offer themselves for this ministry will be prepared by the Chaplaincy Team and commissioned during a ceremony at the College. They have the option to minister at the weekly Friday Mass and other times throughout the year.

Assemblies

Assemblies are held regularly for each year group. This is an opportunity for promoting serious thought which encourages a deepening of personal prayer and reflection in our lives.

Volunteering

At St. Dominic's we provide extensive opportunities for students to carry out volunteer work in the local community. We have links with local primary schools, care homes, charities and hospitals. We subscribe to the Jack Petchev Programme and students receive certificates by way of acknowledgement for services to the community.

Charitable Works

In Catholic education, we are challenged by Christ to see his presence in our neighbour, especially the neighbour who suffers or who lacks what is essential to human flourishing. That is why the poor and the disadvantaged – in financial, social, academic or spiritual terms - must be our primary concern, so that they can live their lives to the full. Hence, the College promotes the notion of active involvement in giving as a way of enlivening College life and as a way of raising awareness of the needs of our neighbours. These activities are essentially initiated by students, but they will find support and encouragement from the staff, parents and Governors. Students organise a number of fund-raising activities throughout the year.
