Laboratory Technician – Chemistry

(Required for Autumn Term 2022)

**36 hours per week, 8am – 4pm, 8.00 – 2.30 on Wednesday
(Possibility of Part-time)
Term Time Only (39 weeks)**

Actual Salary £16530 + Outer LW £2357 = £18887p.a.

We are seeking an enthusiastic Technician with experience of a similar role in a school, college or a professional laboratory. The ideal candidate will be educated to at least 'A' Level standard.

Reporting to the Senior Technician, you will be preparing resources for A Level lessons at the request of the science teachers, ensuring that these resources are provided efficiently. A good understanding of laboratory conditions and related Health & Safety precautions is expected.

For further details regarding the post please email Sue Lugton, Senior Technician at susan.lugton@stdoms.ac.uk or phone 020 8422 8084.

Closing Date: Applications will be taken on an individual basis and candidates will be contacted upon receipt of a completed Application Form.

A Job Description and Application Form can be downloaded from the college website www.stdoms.ac.uk. Completed applications should be emailed to Sue Lugton, Senior Science Technician susan.lugton@stdoms.ac.uk or posted to St. Dominic's Sixth Form College, Mount Park Avenue, Harrow-on-the-Hill, HA1 3HX, before the closing date.

References will be sought and the successful applicant will be required to undertake an enhanced Disclosure & Barring Service (DBS) check.

St Dominic's Sixth Form College is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. All staff will be subject to an enhanced DBS disclosure.
