

Philosophy Year 1 Transition Work 2026

Welcome to A-level philosophy. Philosophy is a rigorously academic subject. You will be required to read extensively, think deeply and write analytically. If you are logically-minded and detail-oriented, then this is the subject for you! Along the way, we will study to the following topics:

- Epistemology
- Moral Philosophy
- The Metaphysics of God
- The Metaphysics of Mind

Compulsory task 1:

A foundational skill required to 'do' philosophy is critical thinking. Complete 'Lesson 1: Fundamentals' and 'Lesson 2: Fallacies'. Follow the link below:
