How busy will Open Day be?

The college campus is very busy on Open Day. In 2025 we had 3000 students register during Open Day and nearly 6000 visitors onsite.

Please expect the College to be busy with prospective applicants and their parents/carers plus our Student Ambassadors who are on-site as Open Day guides.

This year we have introduced pre-bookable registration sessions to manage the number of people on Campus at any one-time, so please adhere to your allocated session.

It is advisable not to bring pushchairs or small children onto the campus, due to the large volume of people on site.

How do I get to St Dominic's

Address - Mount Park Avenue, Harrow on the Hill, Middlesex, HA1 3HX

Is parking available?

Please be aware there is **no on-site parking** at the College or on surrounding roads. Be mindful Parking wardens are usually in the local area, issuing tickets.

The Hill gets exceptionally busy; please ensure you plan your journey and allow plenty of time for parking elsewhere and walking to the College or please arrive by public transport.

Is the site accessible?

Please contact admissions@stdoms.ac.uk at least 3 days prior to Open Day so we can accommodate your accessibility request for support on Open Day. We also need prior notice for Disability Parking.

I am unable to attend, or I missed Open Day

We only hold one Open Day event a year, in October. This is held on a Saturday so hopefully there is an opportunity for everyone to attend.

If you miss this date or are unable to attend, please email admissions@stdoms.ac.uk so we can capture your details to keep you updated on the key dates in the admissions timeline.

If a decision is made to hold a further Open Morning event, we are then able to contact you regarding the date and time.

Please note there are further days for applicants only (not Parents / Carers) to visit the College.

- Admissions Seminars held in April after Easter - for applicants who have received an offer.
- Transition Day held end of June - for applicants who have accepted their offer.
